PI Signature :

10. Instrument Use Guidelines

- Booking is subject to slot availability and facility approval. Incomplete forms may not be processed.
- Users must sign the relevant equipment logbook before and after use, recording the actual time window.
- Cancellation should be communicated to the facility in advance according to the facility's cancellation policy.
- Users must remove their samples/materials after use and leave the workbench and instrument area clean.
- Instrument-specific SOPs and manufacturer instructions must be followed at all times. Report faults, damage or incidents immediately.
